

The Holiday Hope Fund

Since 1968, The Holiday Hope Fund program has provided toys for children and food baskets for economically disadvantaged families and individuals during the Christmas holidays. The Holiday Hope Fund encompasses the Hamblen County Toy program and Present for Pre-Teens program, providing toys and gifts for children 1-12. An estimated 2,000 families in Hamblen County are served each year.

Call our office at 423-586-9431 for specific information on participation in this program or volunteer opportunities.

Holiday Hope Fund was created over 40 years ago to insure that all needy elderly, children and families in Hamblen County were remembered during the Holiday season. Central Services was designated to be the local agency that managed the program to assure accountability and prevent duplication of services.

This massive undertaking could never be accomplished without the support and generosity of this community. We would love for your church, organization, plant, club or Sunday School Class to be a part of this effort. I can assure that you will receive more than you give by being a part of this beautiful cause. We have listed several ways that you can help make Christmas dreams come true, but would love to hear any new ideas you might have. Please feel free to call me with suggestions or to schedule a presentation.
